

**Policy Name – Registration Fee Discounts****Policy Number 2015/5**

Any senior graded player assisting with the development of juniors by coaching a junior squad may become eligible for a discount of their registration fees. In such cases a recommendation by the Junior Coordinator must be forwarded to the Executive Committee for consideration as soon as the senior player is appointed to a coaching role. The appropriate checks for working with children must also be carried out by the Junior Coordinator prior to a recommendation being forwarded to the committee. A fee discount will be assessed on the basis of a reduction of up to 75% in the first year and 100% for all ensuing years.

Senior players who voluntarily assist the Ground Curators with the preparation of wickets and ground maintenance at Erina Oval may also be eligible for a Registration Fee discount. Players concerned must satisfy the Head Curator that they are committed to working at the oval for at least four hours per week on a regular basis throughout the season. Based on the level of work performed the Head Curator may recommend to the Executive Committee a discount to fees of between 75% and 100%.

Discounts will not be available to relatives of curators for the work performed by the curators. For example, the children of volunteer curators cannot claim a fee discount.
